PICK UP & DROP OFF GUIDELINES

For registrants 12 years old or under, their parent/guardian must read the following carefully, and sign at the bottom.

1) Pick up and Drop-Off

We would like to remind everyone that the JCCC is a public space. While the classroom environment is supervised, our large building facilities have many rooms and corridors which we cannot guarantee are monitored at all times. Therefore, we would like parents to adhere to the following procedures for the safety of your children.

- a) They **must** be dropped off only when instructors are present and ready to receive them.
- b) They **must not** be dropped off in the parking lot, or left to enter, exit on their own.
- c) Parents/guardians must be present to receive them outside the classroom promptly at the end of class.
- d) Parents/guardians who are not present to pick up their children will be contacted by the JCCC.
- e) For each child's safety, authorities (Toronto Police Services) will be contacted if a child is not picked up 30 minutes after the end of class, and contact has not been established with a parent/guardian.

2) All children 12 years of age and under must be supervised at all times in the JCCC

- a) They **must not** wander around the building and premises unsupervised.
- b) The JCCC asks everyone to kindly respect the artefacts in the Moriyama Nikkei Heritage Centre, and not run, play, or climb on any exhibits, rocks and wall in the Heritage Centre.
- c) Children **must not** play in the stone gardens around the building and premises.
- d) Children who are waiting for their parents/guardians must sit inside the classroom and not wander around the building. For martial arts students, they can wait in the waiting area just outside the classroom.
- e) Children who are waiting for their parents to finish class can sit inside the classroom where parents are participating, and not wander around the building.
- f) Children who are waiting for other siblings to finish class should wait with their parents, and not wander around the building.

These guidelines are being implemented to ensure that all participants – especially our young members – remain safe. In order to ensure everyone's safety, the JCCC Staff and instructors reserve the right to ask anyone whose actions are contrary to our policy to be dismissed from programming.

By signing, I agree to abide by the above guidelines set by the JCCC.
